

SPK-50-330WH

FEATURES

50W Solar Panel 330WH Battery

- Environmental Friendly Outdoor 100% off-grid Solar Powered Generator
- Lithium Polymer/LiFePO4 Battery, Highest Power Density, Safe and Green
- Intelligent Power Management (IPM)
- Weatherproof Self-Contained System with Adjustable Bracket for Wall / Pole / Ground base Mountable

Specifications	
Model Number	SPK-50/330WH
Output Wattage	25 Watts Continuous
Load Out (DC)	12VDC/2A or 48VDC/0.5A
Load When Fully Charged	12 W Power Load for 30 Hours
Conductor Cable	2 Feet, + & - Wire, 14AWG
Solar Panel Type	50W, 17V MPP
Solar Panel Dimensions	26" x 21" x 1-3/8"
Battery Capacity	330WH
Battery Type	Li-Polymer/LiFePO4
Battery Life	5+ Years
Mounting Kit	Pole / Wall / Ground Base Mount
Weight	35 Lbs
Operating Temperature	-4°F to 125°F
IP Rating	IP65
Compliance	FCC Part 15 Class B and ICES-003:2004
Warranty	2 Years
